Disclosure of Financial Interest

Missouri state law, 334.100(22), RSMo, requires a physician notify the patient or guardian that the physician has a pecuniary (financial) interest in the physical therapy facility in which prescribed treatment is provided, and that physical therapy or rehabilitation services are available to the patient on a competitive basis from other facilities.

Therefore, I understand that the following physicians have a financial interest in the OSMC Rehab & Therapy facility:

Brett Miller, MD
J. Michael Smith, MD

Corey Trease, MD
John Weitlich, MD

Blake E. Peterson, MD
Christopher J. Schaefer, MD

Furthermore, I understand that I have the right to choose any other physical therapy or rehabilitation services which may be more convenient or competitive.
